

Thank you so much ! I was so worried that my gardens around the house would take a beating when the roof was being replaced. Dennis and his crew were fantastic. They arrived on time, did their job, and when they left ...the only way I knew they had been there was my beautiful new roof. The yard was clean and not a single plant damaged. Amazing ! My husband and I will be happy to recommend your company and your crew to anyone. Thank you.

Cindy N.
