

(Abridged)

To Whom It May Concern

7-17-08

My name is Verna Norman. Someone at work gave me your business number. I had several others numbers also. When I talked to your salesperson he was very nice and I felt as if I could trust him. So, he got the job. Steve did a great job on everything including the yard and making sure the neighbor was okay with things also. They had everything I needed for my Insurance Company. I will tell others about your company. It's a wonderful feeling to know that I made the right choice. I see a lot of people and if they need roofing, I will give them your number.

Thanks,
Verna Norman
